Type II Progress Report

ERTS-A

(Cover Sheet)

(Technical Report Standard Title Page)

a. Title: Appraising Changes in Continental Migratory Bird Habitat

ERTS-A Proposal No.: SR 255

b. GSFC ID No. of P.I.: IN 051

c. Statement and explanation of any problems that are impeding the progress of the investigation:

Nothing to report.

d. Discussion of the accomplishments during the reporting period and those planned for the next reporting period:

Photographic and taped data have been received during the reporting period but no data analysis has been performed because the sub-contract with the Environmental Research Institute of Michigan has been delayed. The "first look" phase has been rescheduled for the next reporting period and the Data Analysis Plan will be delivered in February 1973.

e. Discussion of significant scientific results and their relationship to practical applications or operational problems including estimates of the cost benefits of any significant results.

Nothing to report (Category 7K).

f. A listing of published articles, and/or papers, preprints, in-house reports, abstracts of talks, that were released during the reporting period:

Nothing to report.

g. Recommendation concerning practical changes in operations, additional investigative effort, correlation of effort and/or results as related to a maximum utilization of the ERTS system:

Because of the delay in the ERTS-I launch, we have rescheduled data collection for comparative water inventories and vegetative studies from May/July 1972 to May/July 1973.

h. A listing by date of any changes in Standing Order Forms:

7 September, 1972

i. ERTS Image Descriptor forms:

Nothing to report.

j. Listing by date of any changed Data Request forms submitted to Goddard Space Flight Center/NDPF during the reporting period:

Nothing to report.
